

World Hearing Day 2025

Dr. Arun Kumar Agarwal, Honorary Chairperson, Sound Hearing 2030, Dr. Suneela Garg, Hony. Secretary General of Sound Hearing 2030, Dr. M. Meghachandra Singh, HoD Community Medicine, MAMC and Dr. Ravi Meher, HoD ENT, MAMC sensitized the group ANMs for celebrating World Hearing Day 2025 at their Delhi Government Dispensary/ poly clinic to create awareness in regards to Ear and Hearing Care. People were mostly unrecognized by the community. They have the problem but not know how to get treated it. So awareness is the most important part of ear and hearing care.

After this sensitization, ANMs were organized community awareness program at their Dispensary/ poly clinic with their Medical Officer Incharge. They shared the report and photograph as detailed below:
