

## World Hearing Day 2025

On occasion of World Hearing Day 2025, a skit on ear and hearing care was organized in ENT OPD public gathering area. The PG student's team of MAMC Drama was taken part to play role in the skit. They all were well defined with the topic of ear problems and how to do care of the ear and hearing.

Dr. Ravi Meher, HoD ENT and Dr. Ishwar Singh were talked about healthy ear and awareness regarding the ear and hearing care. Dr. Ravi Meher told the community how they can be more careful to protect their hearing and what to do for keeping ear clean.

Ms. Janki Mehta has displayed the IEC material in the OPD area front side and organized a quiz for the general public in which people were actively taken part. The awareness pamphlets on ear and hearing care were distributed among them.
