

World Hearing Day celebration 2024

(CRPF CAMP, JHARODA KALAN, NEW DELHI)

World Hearing Day was celebrated at Montessori School of CRPF, CRPF camp, Jharoda Kalan, New Delhi. This programme was organized to sensitize the Central Reserve Police Force and the residential people of the CRPF. The programme was by CRPF in collaboration with Department of Community Medicine, AGSG Health Foundation and Technical support from Sound Hearing 2030.

Dr. R.K. Singh Commandant ENT CRPF introduced the team and talked about the common ear structure and how the problems occur. He also informed that negligence can create the problems bigger. As a surgeon he has performed many surgeries there.

Dr. HARIOM - Assistant professor, Department of Community Medicine, MAMC, highlighted how to do ear care and importance of ear.

He introduced them to download hearWHO app for self hearing testing.

Download “hearWHO” app from your smart phones mobile play store and check you hearing yourself.

Dr. Samar Hussain - Assistant professor, Department of Community Medicine, MAMC, informed about the World Hearing Day celebration importance and celebration all over the Globe every year.

MS. Janki Mehta- Administrative Officer-Sound Hearing 2030, guided people about the early identification of Hearing Loss and Deafness in New born and infant at early stage. She told need of early identification for early treatment and management of Hearing Loss.

She also played some videos in relation to early identification, having infection and treatment and management after early detection of ear and hearing problems.

Sound of silence movie which was created by Department of Maulana Azad Medical College and Sound Hearing 2030 was played to inform people about noise induced hearing loss.

Dr Alka Singh, Senior Resident doctor, Dr Titikshaa Gupta PG, Dr Rajat Rupam PG, interns Dr Shashinand Chauhan and Dr Shekhar Kalra, Department of Community Medicine, MAMC, played a skit informing about noise induced hearing loss.

IEC Material display was organized for awareness. Ms. Anjali Negi voluntarily helped to display IEC material in CRPF programme.

At the end of the programme, Dr. Asha Singh President of RCWA New Delhi gave vote of thanks to the participants of the programme.
